

BILL ACCEPTOR CONVERSION KIT

— FITS ALL MAJOR BRANDS —

MAGNIFY YOUR PROFITS WITH

THE
MATRIX

CONVERT YOUR POOL TABLES AND DRAMATICALLY INCREASE EARNINGS. QUICK AND EASY INSTALLATION WITH NO CABINET MODIFICATION REQUIRED. ADVANCED ELECTRONICS ALLOW FOR AN UNLIMITED VARIETY OF OPTIONS SUCH AS HAPPY HOUR PRICING, TIMED PLAY, FREE PLAY AND MUCH MORE.

The increased profits of a bill acceptor, and flexible pricing options... without buying a new table!

Now you can update almost any pool table with The Matrix Bill Acceptor Conversion Kit. Quickly. Easily. And at a fraction of the cost of a new table.

Flexible pricing options mean increased profits. And with the Matrix's bright LCD graphic display, Standard Pricing seamlessly transitions between any of the three Happy Hour prices and three Free Play periods.

Using a four button keypad, and a simple and intuitive menu-guided programming system, it's easier than ever to set-up pricing structures and control table functions.

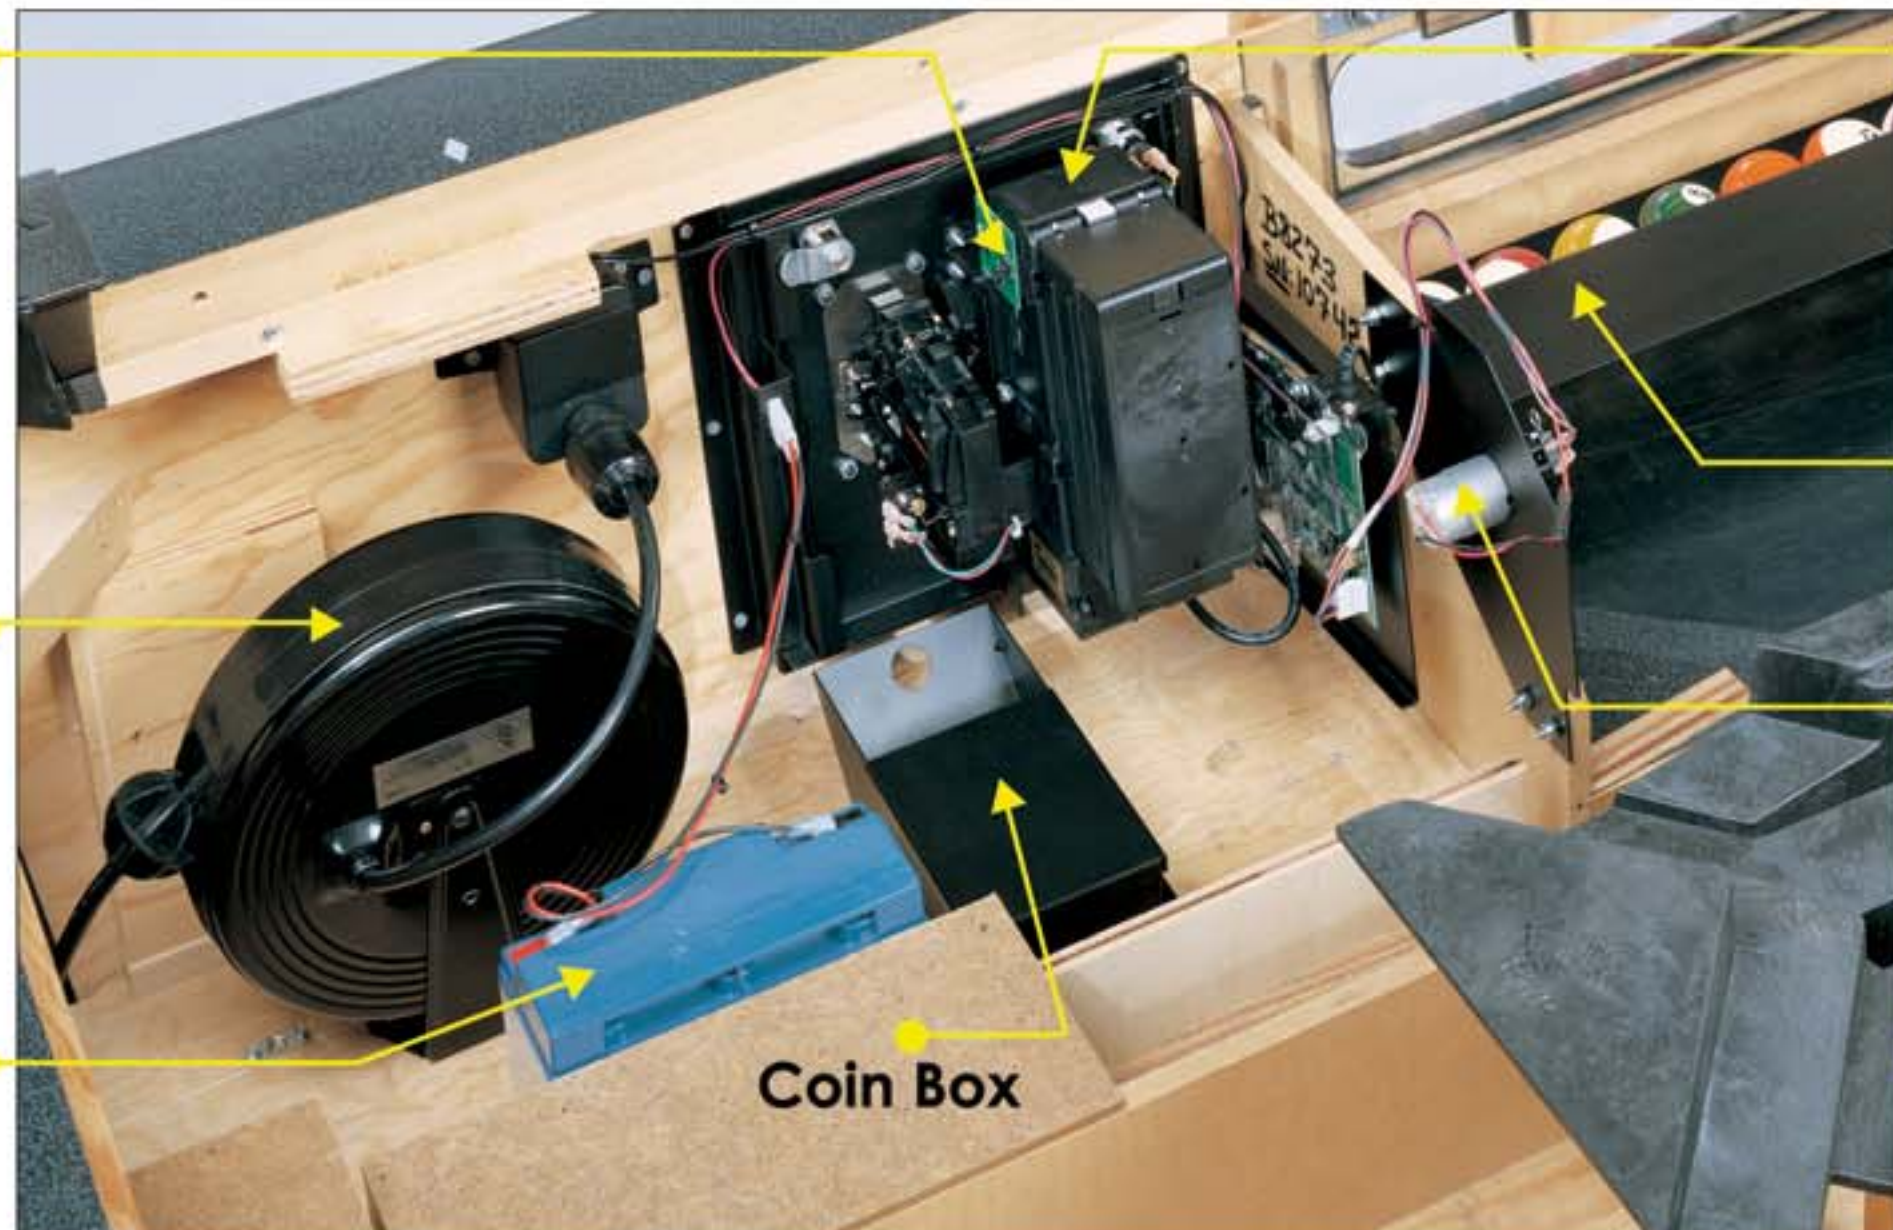

The Matrix kit can easily be installed in less than two hours and includes the following components:

Remote four button keypad

Retractable reel cord (optional)

Battery

Main housing with ICT bill acceptor and Imonex coin acceptor

Ball trap

Motor plate assembly

Security bar (not shown)

Coin Box

FEATURES: 12 volt battery powered, or 110V AC • On-board battery charger • Ability to enable or disable Single Game Pricing, Bonus Game Pricing and Time Play options • Electronic meter - displays revenue, free play games, and battery strength • Programmable ball trap - during Time Play, balls automatically return like a regular "ball return table" • All settings and meter information are stored and retained in EPROM when power is disconnected.
